Budgeted Account Code Report

Date Issued/Revised: 3/07/2018

General Description: This report provides the budgeted amount by index and summary total for a particular account code within an organization. **Any account code** that has been budgeted can be queried including labor and Budgeted Use of Reserves 1901 account codes.

Purpose: The report is primarily a department or organization report. The report is used to verify account code totals by index for an organization. Also, this report would help a department, college or VP unit to tie out allocations.

Responsible Manager: Office of Planning, Budget and Analysis (OPBA)

Related Procedure: Create Budget Worksheet

How to request a Budgeted Account Code Report

1. Login to myUNM
