Transfers and Allocations

A transfer moves revenue (source of funds) between programs. An allocation moves revenue within a program.

Please make sure to follow the procedures that are in place.

Revenue should NOT be transferred or allocated from the following:

- State Appropriations also known as Research and Public Service Projects (RPSPs)
- Mandatory Student Fee Indices
- Endowed Spending and Non-Endowed Spending Indices

Expenses incurred should post directly to the same index as the revenue to ensure transparency and to maintain a clean audit trail. We must ensure legislative, student fee review board (SFRB) and donor intent. Donor restrictions must be followed.
