General Description: This report provides a way to verify all indices are in balance. Based on the user security, the report generates a list of indices that do not net to zero. The report identifies the organization, organization level, the index, index description and the net out-of-balance amount. This report is generated from both the Budget Development Tables and the Salary Planner Tables.

Purpose: Verify indices for an organization net to zero.

Responsible Manager: Office of Planning, Budget and Analysis (OPBA)

Related Procedure: Create Budget Worksheet

How to request an Index Out-of-Balance Exception Report

1. Login to myUNM
2. Login to LoboWeb using one of the three options listed below:
