* The above rates are Averages, if your department’s actual costs are higher, then use your own estimates.

*** Use Workers Comp Rate of 1.4% for employees in hazardous positions.

2. Additional Fringe Benefits Information:

a. Retirement: For FY23, compute at 17.15% at the department level of salaries exclude GA/TA/RA/PA, students, temporary, and on-call.
b. **Social Security and Medicare (FICA):** No rate increase is expected. Use the chart above, or use your own department cost estimates if they are higher than average. Exclude GA/TA/RA/PA, students, temporary, and on-call. The rate currently is 7.65% for earnings up to $147,000.

c. **Group Insurance:** Increase for FY23 for staff & faculty of 3.7%, compute using the chart above or use your own estimates if they are higher. No increase for GA/TA insurance, compute using the chart above or use your own estimates if they are higher.

d. **Unemployment Compensation:** Decrease for FY23 is expected, compute using 0.07% of salaries. Exclude GA/TA/RA/PA and students.

e. **Workers Compensation:** Increase for FY23 is expected, compute at 0.09% of employee salaries in non-hazardous positions and 1.4% of employee salaries in hazardous positions.

f. **Miscellaneous Other Fringe Benefits:** Decrease for FY23 is expected. Compute at 4.26% of salaries within unrestricted funds or 2.70% of salaries within restricted funds (rate pending approval from feds). Exclude GA/TA/RA/PA, students, temporary, and on-call.

V. **OTHER BUDGET CONSIDERATIONS**

A. **Automobile Insurance:**
The State of New Mexico provides insurance for automobiles which belong to the University. The State sets the rates and those rates result in the per-vehicle charge each year. The “estimated rate” for a UNM vehicle is $30.88, per-month or $370.60 per-vehicle, per-year. The “estimated rate” for an electric vehicle is $15.44, per-month or $185.30 per GEM, per-year. If you have a UNM vehicle, the charge will automatically be deducted from your index utilizing account code 70J0, (Auto Insurance Gen). Risk Services will then use those funds to pay the State. Include these figures as you plan your FY23 budget.

B. **Information Technologies and Parking Related Fees:** Please reference the respective web sites for any fee updates.

C. **Procurement Payment Service Charge (Banner Tax - 80K0):** A University-wide service charge will be assessed monthly to each Banner Index in the amount of 1.00% of non-salary expenses in order to fund the on-going cost of Banner. The charge will generally exclude non-procurement expenses such as Financial Aid, Cost of Goods Sold, Cost Share, and F&A overhead charges on restricted accounts. This amount should be budgeted in account code 80K0-Banner Tax.

D. **Procurement Payment Surcharge (Foundation – 80K2):** A Foundation surcharge of 0.50% on all unrestricted current fund dollars to support the University of New Mexico Foundation operations. The surcharge is calculated on total expenditures, labor, materials, and all other
expense account codes with some exclusions. This amount should be budgeted in account code 80K2, (Foundation Surcharge). Branches are excluded from the Foundation Surcharge.

E. Deferred Compensation: Departments will budget the appropriate expense amount in account code 2140, (Retirement Gen) of the applicable index. Human Resources will charge the department index and credit the liability account 514003-L110 and process the payment to TIAA-CREF.

F. Allocations and Transfers: Within I&G, the I&G Pooled allocation from your VP Representative should be budgeted in account code 1640, (Allocations Pooled Allocation Gen).

Transfers and allocations between unrestricted indices must be budgeted on both sides. If indices are within the same fund, an allocation must be budgeted using a 16xx account code (other than 1640). If indices are not in the same fund, a transfer must be budgeted using 11xx, or 12xx account codes as appropriate. Cost Share transfers must be budgeted if you expect to make transfers from current unrestricted fund indices. Account code comments must be entered in Budget Planner detailing offset index, account code, and amount. Report available in MyReports “FNRMBTA – Main and Branch Transfers Allocation” use as a resource to check appropriate transfer and allocation account codes.

G. Student Fees: If Main Campus I&G units have outside revenue from student course fees or other student related fees, these should be budgeted in the index where the expenses will occur. In order to charge these fees to the students, they must be approved by the Board of Regents and/or Academic Affairs and be listed in the Schedule of Classes.

H. Internal Service Center/Internal Sales: Account codes 061x, (Internal Service Center Internal Sales) are usually reserved for Internal Services units only (program code P181). Please contact your fiscal agent regarding the budgeting of internal service revenues.

I. Use of Reserves: (Budgeted Use of Reserves Account Code 1901). For Fiscal Year 2023, Main Campus units are not allowed to budget use of reserves unless it is preapproved by your org level 2 EVP representative. To obtain approval, please submit a memo to your Fiscal Agent with the justification. Account code comments must be entered in Budget Planner referencing prior authorization for budgeting use of reserves.
